April 2022

WHO WE ARE

We are a non-profit organization whose mission for the past 65 years has been to present the gospel of Jesus Christ. We aim to encourage Christian growth through Bible teaching, personal example and service within a Christ-centered, wholesome, safe, and fun-filled Christian camping environment. Since our humble beginnings in 1956, we have witnessed the faithfulness of God and the richness that living in Christian community brings.

Our vision is to be a premier resource for Christian leadership development in Western Canada. We are focused on equipping and training individuals for active and effective ministry and gospel opportunities.

We look forward to seeing you at camp this year!
